## **Material for entry layout**

To advise clients in the best way, we need a lot of detailed information about your farm. Beside that, the detailed information make an atmospheric description of your farm in the guide easier for us. Please pay attention of the following things:

**1. A selection of about 15 atmospheric photos in print quality on CD-ROM at best. Print quality: Resolution/Format: a least 300 dpi/jpg data (20 x 30 cm, min. 10 x 15 cm)**

- **Buildings (at least 4 photos)**
  - Exterior and Interior views
  - Standard photo
  - Photo from a special perspective
  - Detailed photo like flowerbeds, trees, fountain, terrace with flowers
  - Interior: lounge, windowsill, hallway
  
- **People and guests (at least 3 photos)**
  - In and around the farm
  - Parents with children (not more than 5 people per photo)
  - If possible also one with children only
  - General: active, playing at a table, laughing, with animals
  
- **Typical holiday activities (at least 3 photos)**
  - Relaxing in and around the farm showing typical landscape
  - Horseback riding, hiking, cycling, volleyball, sailing
  
- **Details (at least 3 photos)**
  - Animals
  - View from a window
  - Vases
  - Table decoration
  - Plants in garden, fruit trees
  
- **Host (at least 2 photos)**
  - Not posing, natural photos in front of the house, in the garden
  - The host only/ who should be well recognisable

**Please enclose informative prospectus material about special activities/offers on the farm, the holiday region and excursion destinations.**
